Robinson Car Care Clinic

Mark Eden, our Service Manager, hosted his first Car Care Clinic since joining our team in October. During the Car Care Clinic Mark guided a tour through the service bays, explained and demonstrated the importance of proper vehicle maintenance, and discussed the functionality and technical merits of Onstar and Roadside Assistance. Mark also took time to answer all maintenance and vehicle operational questions. We strongly encourage all of our customers to attend one of our informational Clinics. Sign up now, the next Car Care Clinic will be held Wednesday September 15, 2010 at 6:30pm.
